NOTICE TO CLERKS

Pursuant to Section 125.1506 of the Stille-DeRossett-Hale Single State Construction Code, 1972 PA 230, attached are copies of the promulgated rules for the electrical, building and residential codes. These rules are effective statewide on February 29, 2004. Every unit of government with code administration and enforcement responsibility for any of the above-mentioned rules must enforce these rules on the effective date.

BUILDING/RESIDENTIAL CODES

The bureau requested the February 29, 2004, date in anticipation of rules being filed in early January. As a result of delays in the process; the bureau was unable to get Michigan code books printed timely. Therefore, the bureau has included a copy of all Michigan rules. These rules must be coordinated for use with international codes until the Michigan books are available. The printing process has been started and the bureau anticipates the Michigan Building Code and Michigan Residential Code books available for purchase in early May. A copy of the bureau Codes and Standards Order Form is attached or may be downloaded from the web site at www.michigan.gov/bccfs. You may forward an order for code books at any time and the order will be filled once the books arrive. If you wish to purchase a book at the office, please call to assure availability.

In the meantime, International Building Code or International Residential Code books may be purchased from the International Code Council. Please visit the ICC website at <http://www.iccsafe.org/news/LVBOD.html> for complete instructions.

ELECTRICAL CODE

The Michigan amendments (Part 8, electrical code) are attached in their entirety; however they must be used in coordination with the 2002 National Electrical Code. The Code is available for purchase for \$60.00 from the Michigan Department of Labor & Economic Growth, Bureau of Construction Codes and Fire Safety, P.O. Box 30255, Lansing, Michigan 48909. Please use the attached Codes and Standards Order Form.

Questions regarding the updated rules or this notice may be directed to 517/241-6312.
